

White Winter

Susann Höcker loves the shabby vintage style, especially at Christmas; DE

© living4media Feature by Birgid Allig

Susann's home is a showpiece for the fact that this classic furnishing style also works perfectly in small spaces. In keeping with the chilly season, cool white and soft cream tones dominate the colour scheme of the shabby vintage chic. Bright fabrics and soft furniture complete the style, and turn Susann's home into a Christmas fairytale.
