

Bottle Beauties

Turn wine and beverage bottles into stylish vases

© living4media Feature by Gallo Images Pty Ltd.

Recycling is the 'in' thing to do, and the interior decorating world is no exception. Everywhere you look there are old items that have been given new life, and top designers are using degradable or recycled materials such as glass, paper and metal in their creations. You can also play your part by making some designer pieces from bottles. We show you how.
